

**Field Trip Fridays (Elementary):**

This series is available for all elementary age students. Parents can sign up for one field trip, all field trips or any number in between. If your student will be home this summer, but would like to have the weekly opportunity to engage with peers, this is the perfect option! *Field Trips are subject to availability and change. Parents will be notified as early as possible if any changes are necessary.*

# Programs

## Summer Primary Camp:

Children of 2 1/2-6 years embrace the world in a Montessori classroom, using all of their senses in joyful learning. Language, math, geography, and science all come to life through activities and materials designed to entice and delight. Arts and crafts will have a special focus in the summer program. Daily group time, snack, and outdoor play allow plenty of time for enjoying friends old and new.

## Summer Discovery Camp: (Elementary)

Explore the natural world on a working, sustainable farm! The MLMS Elementary Summer Camp starts the day meeting at our Junior High School campus.

With its 23 beautiful acres of pastures, pond, and woods, the environment provides elementary students the opportunity to engage in the natural world around them. With majestic Mount Marshall as backdrop, children spend their day engaged in a variety of activities. We finish the day with an activity or a swim at the 4-H Center and return to the Front Royal campus by 3:30. The children look forward to "Field Trip Fridays" where they are provided the chance to explore local hiking trails, the National Zoo, the Udvar-Hazy Air and Space Museum, among others.

DETACH HERE

## **Reservation Form:**

To complete the enrollment process, please fill out the information listed and return to MLMS along with the non-refundable deposit in the amount of \$100 per child attending. After the reservation form and deposit have been received, your registration packet will be sent. All forms must be completed, signed, and returned before the start of the summer session.
