Elementary Camp

The MLMS Elementary Summer Camp has activities and lessons based on a weekly theme followed by a coordinating field trip on Fridays. We swim every afternoon at local pools and lakes.

And, we welcome any Elementary students for Field Trip Fridays! You don't have to be a Mon-Thurs camper to join us.

Toddler & Primary Camp

Children ages 16 months-6 years learn and play with friends, using all of their senses in a joyful learning environment. Language, math, geography, and science all come to life through materials designed to entice and delight. Arts and crafts will have a special focus at camp, along with lots of time spent outdoors. Your child will have the chance to grow socially, academically, and spiritually this summer!
