

Montessori Beginnings 2019-2020 Registration Form

Montessori Beginnings is a gathering of parents or caregivers with infants and toddlers from 8 weeks to 3 years of age. It is a cheerful, relaxed environment that is scaled to the comfort of very young children. Beautiful toys and handmade materials entice babies to manipulate and discover, leading to coordination of movement and refinement of senses. Movement mats, balance beams, mirrors, and more encourage babies to joyfully crawl, creep, cruise, and walk independently.

Classes are held on Fridays from 9:30-11:00 am in the Toddler classroom. Each class is \$5.00.
