

Dear Supporter,

At Mountain Laurel Montessori School every child develops a love for learning and the freedom to explore their own personal interests. Toddlers learn how to dress themselves. Primary students engage in language cards to help them read and use sandpaper letters as their introduction to writing. In the Elementary program, students are enamored with the work of William Shakespeare as they learn and prepare for their roles in the annual Shakespeare play. The transition to Jr. High is a joyous adventure. Students “step back in time” as they learn about the work of a blacksmith and portray a character from that time period in “The Dramatis Personae.”

Our community provides the ideal learning environment for the development of the whole child. We offer an environment of endless potential, confidence, and purpose adhering to the highest standards of Montessori Education. Our campus is located on five wooded acres, allowing children daily opportunities to explore the natural world.

With your support, we are hopeful to have a NEWLY redesigned playground environment so it can continue to be enjoyed by generations to come!

We hope you will support us this year with a donation of your choice. Examples of donations include, but are not limited to gift certificates, baskets, and services. Our auction, *Spring Fling Party & Auction*, will be held on *April 24, 2020 at James Charles Winery & Vineyard located in the charming town of Winchester, VA.*

With sincere gratitude,

*Odalys Martin*
