

Classroom Notes
October 2020

October 4, 2020

Dear Families,

This week we have had the pleasure of getting to know Mrs. Barger! Onawa will be taking on the role of our new Assistant Teacher. She has such a kind, calm nature and all of the children seem to really enjoy their time with her, which is just wonderful!

I also want to give a huge thank you to Mrs. Martin who has provided a tremendous amount of support to our classroom. She was also so gracious to donate a large pumpkin for our classroom which will allow for a vast amount of exciting activities in this coming week and a beautiful rocking chair so we can create a cozy reading area for our environment!

In other exciting news, Mrs. DeMato has been so kind to set up a signup genius for our classroom's flower arranging table. We are hopeful for one bouquet of flowers each Monday. These little arrangements made by the children add so much beauty to our room in addition to providing work and opportunities for concentration! If you are interested in signing up, please see the attached link.

A few important messages regarding meals, every meal you send your child **must** be peanut free. This ensures the safety for our entire school community. If your child is a full day student, our lunch is scheduled directly after outdoor play and right before nap. To help ease this transition for your child, it is best if their meal is high in protein and contains only one sweet treat. We want your children to rest as much as their little bodies need to, they expend so much energy throughout the day through all of their hard work and play!

Picture day for Primary students is Monday.

I hope you all have had a wonderful weekend, and I look forward to a beautiful week ahead of us!

Sincerely,
Sarah Goodman
