

New!

MIDDLE SCHOOL

Summer Camp

Our new Middle School Camp is designed to bring rising 6th graders through graduating 8th graders outdoors to explore, connect with, and challenge themselves in the world around them, while bonding with friends throughout the summer. Students should be good swimmers to be part of this program.

Tuesdays

Explore with all-day hikes including rock climbing, visits to waterfalls and swimming holes in the Shenandoah Valley. Some days will include canoeing on the Shenandoah River and guided horseback riding along prepared trails with Marriott Ranch.

Wednesdays

Connect with community service at Front Royal's C-CAP in the morning, then enjoy swimming at the local pools and lakes in the afternoons.

Thursdays

Splash the day away and challenge yourself to new heights at water parks such as Volcano Island and Atlantis Waterpark in Northern Virginia.

Fridays

You can add on Field Trip Fridays for an additional fee.

Mountain Laurel Montessori School offers

The Academic Year,
Summer Camp,
Extended Year,
Before and After Care,
Bus Service,
and Parent Education.
