Toddler

Toddlers will have the chance to work in the Montessori environment, learning the routines of the classroom, meeting new friends, exploring nature, and enjoying the great outdoors.

Primary

Children ages 3 - 6 years old will learn and play with friends, using all of their senses in a joyful learning environment. Weekly-themed activities and arts and crafts have a special focus at camp, along with lots of time spent outdoors.

Elementary

The Elementary Camp has activities and lessons based on weekly themes. Through scientific discoveries and cultural explorations, your child will have a hands-on approach to learning. Swimming, hiking, and field trips will be included every week!

Middle School

Tweenagers and teenagers can enjoy hiking, canoeing, horseback riding, swimming, and waterparks with our three-day camp (Tuesday-Thursday). You have the option to add on Field Trip Fridays for more fun with their friends.
